BOOK SYNOPSIS

In this handy little journal, you can record babys potty, eating and sleeping habits for up to 6 months so that you can refer back to them later to determine whether baby is progressing normally. Bring it with you to the doctors office for all your baby visits. You can also check off which breast you finished with so you will know which one to start with next time. Leave it with the babysitter so she/he can record all the info while youre gone.
