## BOOK SYNOPSIS

One of the most powerful icons for gay men is the hunky, rough-hewn, authoritative daddy figure, who can offer hot kisses, warm embraces, and a firm hand with equal intensity. This collection of erotic stories reveals the unique sexual and emotional bonds between these older daddies and younger gay men: from twinkles hankering for silver foxes to men with the meat of years on their bones mentoring spunky lads just coming out. Everything goes in these stories, from the sexually playful to the wistfully romantic, to hardcore S/M, to role playing, to extreme kink. Written by such masters of the genre as Doug Harrison, Jeff Mann, Xan West, Barry Alexander, Dale Chase, Shaun Levin, and more, these sizzling stories explore the world of men who may differ in age but have the same thing on their mind.
