## BOOK SYNOPSIS

Helps those who own a Japanese knife to maximize its performance. This book teaches the reader how to use usuba, deba and yanagiba, the three main traditional Japanese knives. It also explains many useful techniques, such as the importance of understanding blade angle and point of force. Sales of Japanese kitchen knives are booming in the west, but how many people have the skills to use these superbly-crafted tools to full advantage? Now, internationally renowned chef Hiromitsu Nozaki shares his expertise and insights in a book that will help anyone who owns a
