The Kaplan AP Express titles provide super busy students with a quick review of essential dates, events, and terms to help them pass the AP exams. AP is one of the fastest growing test prep categories. Almost 3 million AP exams were taken in 2009—a 7 percent increase from 2008. A high score on AP exams helps students gain access to crucial scholarships, win competitive financial aid packages, and place out of costly introductory level college classes. Students begin AP classes in September and take the test in May creating a large amount of time where information learned early in the course can be forgotten. The Kaplan AP Express titles serve as a refresher course to students to both prompt them of information learned earlier in the year and review more recent lessons. The Kaplan AP Express titles feature: 108 pages of the most-tested topics on the AP exams Targeted review of all tested information Exam tips such as strategies, test structure, how the exam is scored, and additional resources 5-10 practice questions at the end of each section The Kaplan AP Study Outlines complement Kaplan's five bestselling AP titles.
