## **BOOK SYNOPSIS**

There's a battle going on in public education right now. Education reform is every politician's favorite new cause. But educators, the experts in teaching and learning, are being left out of the conversation. And true education reform cannot happen until we see the issues clearly. Edgy, funny and poignant, *Kids, Classrooms, and Capitol Hill* explores the issues, big and small, facing the key players in what sometimes feels like an impossible quest: educating our nation's youth. So before you choose sides, read this book. Chances are you won't hear this point of view from people who are actually working in schools. If there's one thing educators are afraid of, it's that they'll say the wrong thing and tarnish their beloved profession. So they spout the party line and make nice, zealously guarding the truth and the reputations of their schools. But the truth is this: This thing called education is complicated, messy, excruciatingly difficult, humbling, humorous, aggravating, and fleetingly rewarding. To find out more about Kelly and her book, visit her website, YouTube channel or the *Kids, Classrooms, and Capitol Hill* Facebook page."

**KIDS CLASSROOMS AND CAPITOL HILL A PEEK INSIDE THE WALLS OF AMERICAS PUBLIC SCHOOLS** - Are you looking for Ebook *Kids Classrooms And Capitol Hill A Peek Inside The Walls Of Americas Public Schools*?
