## BOOK SYNOPSIS

Help your students build strong clinical reasoning and clinical thinking skills with the new edition of Ruth Werners bestselling pathology text for massage therapist students, also available as an enhanced interactive eBook. A Massage Therapists Guide to Pathology, 6e continues to set the standard for the course through up-to-date, high-value content, an outstanding illustration program, and the authors trademark accessible writing style. With skill and passion, Werner makes pathology fascinating and understandable for massage therapy students as it prepares them to work independently or within a health care team to make choices that result in the best possible outcomes for clients living with a wide range of diseases and disorders. Updated throughout to reflect the latest research, the Sixth Edition now offers a stronger focus on evidence-informed practice. And, to keep pace with evolving standards, the Sixth Edition is now ELAP-compliant, has testing formats compatible with the MBLEx exam, and features updated content consistent with the DSM-V. For prior users, a detailed chapter-by-chapter conversion guide is available to ease transition from the Fifth to the Sixth Edition. Student Resources for each chapter: Engaging crossword puzzles, hangman-style games, and game show questions help build familiarity with important ideas. Flashcards reinforce concepts of the In Brief feature and a second set of flashcards reviews Greek/Latin roots and their English equivalents. Practice quizzes help students assess their understanding and prepare for exams. An Audio Glossary assists in pronunciation and key term mastery. Interactive Labeling Exercises give students hands-on practice in labeling figures from the book. Modality Recommendation Charts provide guidance on massage in different m

### **MESSAGE THERAPIST'S GUIDE TO PATHOLOGY CRITICAL THINKING AND PRACTICAL APPLICATION**
