BOOK SYNOPSIS

True to Pearls Before Swine tradition, the latest cartoon collection brims with Stephan Pastis's cynical humor, sharp wit, and clever commentary. Always together—and sometimes with their fellow funny-page characters—the regular Pearls clan weighs in on everything from modern technology to current events to human nature. All the members of the skewed gang are here as Zebra engages in a never-ending war of neighborly hate with the Crocs. As always, Goat offers a voice of reason amid the ongoing chaos that Pastis creates, either from behind the pen or as a character within the strip itself. Pastis's latest collection is sure to add to the funny-page phenomenon, giving Pearls fans more of what they know and love: satirical logic and hilarious wit. Includes all cartoons from the collections Breaking Stephan and King of the Comics.
