## BOOK SYNOPSIS

Whether you're self-employed, a middler manager, or a Fortune 500 executive, it's easy to get stuck in a humdrum life and only fantasize about what could have been. Motivational speaker Steve Chandler helps you transform what could have been into what will be. You'll learn numerous techniques for breaking down negative barriers and letting go of pessimistic thoughts that prevent you from fulfilling, or even allowing yourself to conceive of, your goals and dreams. Drawing on many years of work in the field since the original publication of the book, Chandler has added numerous new stories, quotes, insights, and recommendations on how to reinvent yourself from the fictional, limited personality of old to a fresh level of creative action.
