## BOOK SYNOPSIS

Tottenham star Robbie Keane is one of the most accomplished strikers playing in the Premiership today. His quick thinking and poachers eye for goal have made him feared and respected by club and international defenders alike. After the most successful season in Spurs history, he sits top of his clubs top scorers chart, and is Irelands leading all time goal scorer. A must for any soccer fan, this story of the lethal player includes the pressures and pitfalls of being a teenage football star, his off the field liaisons, his altercations with teammates, and his bout of illness which so cruelly denied Robbie and Spurs their place in the Champions League.
