BOOK SYNOPSIS

New York Times bestselling author Joanna Wylde returns to the world of the Reapers Motorcycle Club...Looking back, none of this wouldve happened if I hadnt dropped my phone in the toilet. I mean, I couldve walked away from him if Id had it with me. Or maybe not. Maybe it was all over the first time he saw me, and he wouldve found another way. Probably--if theres one thing Ive learned, its that Shade always gets what he wants, and apparently he wanted me. Right from the first.
