## BOOK SYNOPSIS

One of the best-known and best-loved works of Buddhist literature, the Dhammapada forms part of the oldest surviving body of Buddhist writings, and is traditionally regarded as the authentic teachings of the Buddha himself, spoken by him in his lifetime, and memorized and handed on by his followers after his death. A collection of simple verses gathered in themes such as awareness, fools and old age, the Dhammapada is accessible, instructional and mind-clearing, with lessons in each verse to give ethical advice and to remind the listener of the transience of life. Valerie Roebucks new translation is accompanied by an introduction examining the language of the Dhammapada, its status as literature and the school of Buddhist teaching from which it comes.

**THE DHAMMAPADA** - Are you looking for Ebook The Dhammapada? You will be glad to know that right now The Dhammapada is available on our online library.
