BOOK SYNOPSIS

The original adult coloring book! A New York Times bestseller when it was originally published in 1961, The Executive Coloring Book is crashing the adult coloring book party with its subversive humor. "This is me. I am an executive. Executives are important. They go to important offices and do important things. Color my underwear important." So begins the dangerously funny classic, The Executive Coloring Book. Originally published more than fifty years ago, this brief and brilliant coloring book skewers the early sixties executive set. If Mad Men made them look glamorous, The Executive Coloring Book casts them in a different hue and invites everyone in on the joke.
