BOOK SYNOPSIS

You reap what you sow, and unfortunately, Sacaria and Shayvon are both finding that out the hard way, but if Shayvon does not relinquish his control issues, he will never get Sacaria home safe and sound. While Shayvon becomes obsessed with finding Sacaria, Ericas true face is being revealed. With Ericas true intentions toward Shayvon becoming more evident, Erica starts to tie up loose ends, and that means that someone has to go. Thus, leaving Shayvon with some new, important and disturbing information, hes forced now more than ever to make moves. QMari and Taleena stay down for Shayvon in the midst of everything, but Todd, not so much. Who knows what Todd has been up to behind the scenes? Todd seems all too ready to get rid of Erica, rather than bringing Sacaria home. Hopefully, their bond will survive the storm. Finally, as Shay gets closer to a conclusion, he realizes that his relationship with Sacaria has run its course and he might not ever see her again. Does Todd know more that hes letting on? Will Erica finally get what she wants? Will Sacaria make it home safely? Nothing is resolved and everything hangs in the balance.
